
Details of Call

Purpose of ITC Conference Grants

Conference grants are aimed to:

- support PhD students or Early Career Investigators (ECIs, <8 years after PhD) from ITC countries to attend conferences related to Bioimaging preferentially to correlated multimodal imaging in Life Sciences, not specifically organized by the COMULIS COST Action.
- Promote the spread of innovative correlative multimodal imaging in biomedical research and preclinical imaging.
- Increase researchers' visibility, networking and fostering collaborations on innovative correlated multimodal methods.

Eligibility criteria

- PhD students or ECIs affiliated to a research institution in an ITC country.
- Target conference and candidate's contribution in scope with COMULIS goals/objectives.
- Target conference during the period **15th November 2018 - 1st September 2022.**

Evaluation from the successful Grantees

- Evaluation of the application by the ITC coordination committee. Scoring attributed to criteria such as:
 - Contribution Quality
 - Candidate's CV (max.2-3 pages)
 - Conference quality/relevance/visibility

Expectations from the successful Grantees

- Requisite: Candidate is listed in the conference program with an/a oral/poster communication to receive the grant (applications can be submitted before program confirmation, and evaluation can be performed beforehand).
- Grantee must provide a short conference report
- Grantee must contribute to official COMULIS website <https://www.comulis.eu/> with new entries reflecting the conference program

Conditions

- Refund is made after the conference upon completion and submission of the Grantee conference report.
- Refund can be total or partial, and includes registration fee, travel, accommodation, and subsistence expenses.
- Conferences are preferred in Europe, but are not limited to Europe

How to apply

- Fill in the [Application Form](#) and return it to the ITC-Conference-Grants Coordinator and Chair (see details in the form).
- Application is open for conferences happening from November 2018 to September 2022.

Eligible conferences

- COMULIS does not restrict the range of conferences to a specific list. Any Conference dealing at least in part with Bioimaging and Image Analysis in Life sciences, preferably Correlated Multimodal Imaging, is eligible.

Inclusivness Target Countries (ITC)

- ITC Conference Grants are exclusively reserved for *PhD students and early career investigators (ECIs)* with a primary affiliation in an institution located in an ITC.
- List of “ITC Countries”: **Albania, Bosnia-Herzegovina, Bulgaria, Cyprus, Czech Republic, Estonia, Croatia, Hungary, Lithuania, Latvia, Luxembourg, Malta, Montenegro, Poland, Portugal, Romania, Slovenia, Slovakia, the former Yugoslav Republic of Macedonia, Republic of Serbia and Turkey.**

ITC-CGs Coordination / Committee

Ivana Vrhovac Madunić – Croatia, ITC coordinator - *please contact for enquiry:* ivrhovac@imi.hr

Andreas Walter – Chair of the Action - *please contact for enquiry:* andreas.walter@vbcf.ac.at

Dean KARAICA, Croatia, dkaraica@imi.hr

Erin Tranfield, Portugal, etranfield@igc.gulbenkian.pt

György VÁMOSI, Hungary, vamosig@med.unideb.hu

Özgür ÖZDEMİR, Turkey, ozdemiroz3@itu.edu.tr

Veronika Huntošova, Slovakia, veronika.huntosova@upjs.sk

Julia Fernandez-Rodriguez – ITC-CG Coordinator: juliafer@cci.sahlgrenska.gu.se
